CELEBRATE THE CIVIL RIGHTS YEAR

In *Smith v. Fair Employment & Housing Com.* (1996) 12 Cal.4th 1143, the California Supreme Court, in an opinion by Justice Werdegard, held that requiring landlord to comply with the Fair Employment and Housing Act's ban on housing discrimination against unmarried couples would not violate landlord's rights under State Constitution's free exercise and enjoyment of religion clause so as to exempt landlord from FEHA. Civil rights supporters are invited to collaborate with the DFEH throughout the FEHA's 50th anniversary in 2009. See updated monthly events at www.dfeh.ca.gov.
